Transponder Consignment / Buy Back program

Even though we would love to see you back competing at the ¼ mile high banks of Monadnock Speedway, we realize some of you may have retired from racing or simply just taking a break.

If you plans are not to return this season or future seasons ahead, we would like to buy back (on consignment) your DB Com transponder. We have many new competitors registered and are willing to buy a transponder used.

In years past, we have consigned the transponders where you can name your price. The average price competitors sell the used transponder for is \$100 - \$125. If you would like to sell yours, we will help you sell it.

The consignment process is simple. All we ask is that the transponder is in working condition and has not been exposed to rain, snow or other elements that would affect the effectiveness of the scoring system. We will be checking to make sure the transponder is in working condition. If there are problems with the transponder, we will send it to DB Com (if you authorize it) to see if it can be fixed. If it can and the repair cost is reasonable, we will have them fix it. The repair cost will be deducted from the asking price.

This is how it works:

1. Fill out the form and send it to Monadnock Speedway with the transponder (if you attending the Speedway Expo at the Big E or MotorSport Madness in Swanzey, NH you can bring the form and transponder to the Monadnock Speedway booth). Mailing Address is listed above.
2. We will check to make sure it is working on the practice date
3. We sell it to a competitor and then send you a check

Below is the form:

Transponder Consignment Form

Name _____ Transponder # _____

Amount to Sell the Transponder For: \$ _____

I authorize Monadnock Speedway to sell my transponder. I realize if the transponder is in not working condition, the transponder will be sent back to me or I can authorize it to be sent out for repairs (at my cost, within reasonable amount). Once the transponder is tested and sold, I will receive a check from Monadnock Speedway for the sale of the transponder.

Signature _____ Date _____
