## NHSTRA STREET STOCK BULLETIN:

Due to the current inventory and supply concerns, the following will be in effect until further notice. Only 1 (one) tire per event will be sold to any competitor that has previously competed a feature race this year at any NHSTRA track. The tire purchased must be used by the competitor that purchased it for qualifying and at least 50% of the feature the day it is purchased at the track it was purchased at. Battle for the Belt races will be determined based on track inventory at the time of the race.
