If No _____

By registering and signing this agreement, you will be allowed to compete and receive prize money and points at NHSTRA events. I agree that this 602 engine form is 100% accurate. I agree/understand that my 602 engine may be confiscated for inspection at any time. If the integrity of the said engine is not fully in compliance with this 602 engine sheet, as completed and signed by I or my assigned driver, that I am subject to penalties, fines, and/or confiscation of said part/parts. Cost of inspection and delivery will be borne by NHSTRA if found legal by this form, and all costs will be the responsibility of competitor if found illegal. I understand/agree that any changes to your 602 engine during the 2023 race season requires an updated form to be completed.

I understand and agree to the terms and conditions as outlined above:
